**Subject:** RE: 231220 13336 Lea Community Primary School - 4 classroom extension - planning

Hello Helen,

In response to your email and to the respondents concerns:-

- I would hope that the parking issues on Greavestown Lane and Westerlong will be improved with the formation of the new car-park as this will provide extra parking for the school staff and visitors.
- There will be a screening plan drawn up by the landscape architect which will address the boundary to the properties on Blackpool Road.
- The building has been moved further away from the boundary in consideration of the proximity and overlooking of the classroom windows.
- The contractor has been contacted regarding the issue with the rats and they will continue to liaise with the school on this matter.

Could you please let me know if you need any further information/sketches from me on the proposed development in preparation for the committee meeting.

Thank you

Regards

Suzanne
