28<sup>th</sup> July 2023

Dear Mr Haine,

BY POST & EMAIL

**Proposed Bourbles Quarry**

**on Land off Bourbles Lane, Nr Preesall, Lancashire**

**Planning Application to allow the extraction and processing of sand & gravel including the construction of new site access roads, landscaping and screening bunds, minerals washing plant and other associated infrastructure with restoration to leisure end-uses, agricultural land and biodiversity enhancement, using imported Inert Fill.**

Please find attached the planning application forms for the above Planning Application together with the Planning Statement, Environmental Statement and Non-Technical Summary.

A paper copy of both the Written Statement and also the Environmental Statement has been posted, together with paper copies of the Non-Technical Summary (NTS).

All elements of the application documents and plans as pdf files that can be uploaded on to the LCC web site have been emailed.

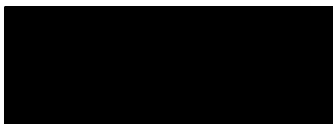

It is agreed that planning fee is payable is £42,773, which will be paid by BACS once a planning reference is available.

Additional copies of the ES can be purchased for a sum of £350 + VAT.

The EIA prepared as part of this proposed minerals scheme has concluded that no significant adverse environmental effects will arise from the development, subject to the implementation of a series of mitigation measures and best operational practice.

If you require any further information, please do not hesitate to contact us.

Yours sincerely,

S J Rees B.Sc., M.Sc., C.Geol, FGS, MIQ  
for Greenfield Environmental
