Comments	<p>Wheelton Parish Council object to this application on the following grounds:</p> <ul style="list-style-type: none">- traffic. This is a very busy road leading to an already overused junction. Rush hour in the morning and evening see tailbacks onto/off the motorway and into Chorley. It is one of the main routes to the hospital.- this is already an area with the worse air pollution in Chorley. This development would create dust and worsen the air quality even further- There is only a reduction of 5 lorrys on the previous application which is not going to make much difference to the traffic impact.
