

VIEWPOINT X - looking south from north west corner of field, route follows inside right hand boundary and inside edge of woodland
Public right of way

VIEWPOINT Y - looking west towards Potters Lane from proposed Access Road

Boilton Wood Riverside

VIEWPOINT Z - looking west to Potters Lane

VIEWPOINT AA - looking west to Potters Lane

VIEWPOINT AB - zoom view to Riverside Cottage on Potters Lane

Footpath cross-over point

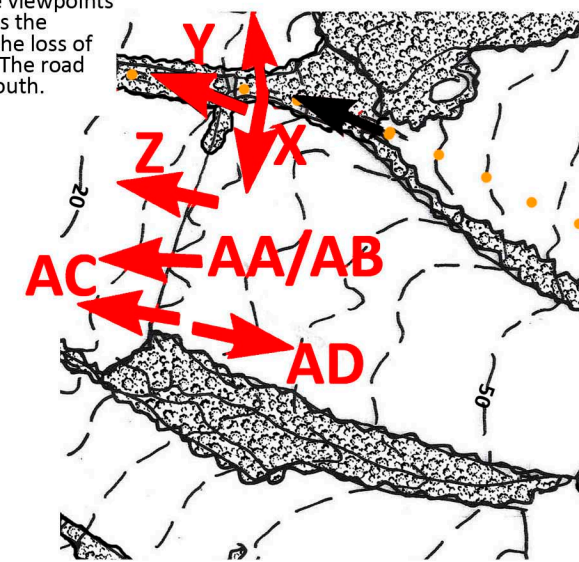

VIEWPOINT AC - looking west from south west corner of field, access route follows inside field hedgerows

NOTE: the photographs shown from Viewpoints X to AI inclusive, are all taken along the route of the proposed access road from within the field south of the public right of way and north of the linear copse.

VISUAL IMPACT ASSESSMENT
Views are possible from these viewpoints to the access road as it crosses the public right of way with only the loss of a small section of hedgerow. The road then runs in the field to the south.

VIEWPOINT AD - looking east along edge of copse
