REMARKS: Dear Jonathan

We write with regard to the Application at Lancashire Central / Cuerden Strategic Site (LCC Reference LCC/2022/0044) to provide our response to the latest comments from National Highways (dated 13 October 2023).

I understand that you will be handling this submission in Rob's absence this week. Given the limited timescales involved we would be grateful if you could action this as soon as possible to avoid any delay to the determination process.

In addition to a covering letter, which provides further context, this submission comprises:

1. Schedule of Documents and Drawings submitted over the course of the application;
2. Guide to Documents for Approval;
3. Environmental Statement Note of Conformity;
4. Pack of all highway-related drawings;
5. Summary of Highway Mitigation;
6. Summary of post-application submissions to National Highways;
